NO.6 Melanie works in the sales department at XYZ Company. She decides that her company's

marketing team has done a poor job representing the company's brand. Without direction or permission, she starts her own social networking account to help. This account's name is called XYZProfessional. To customize her page, she uses company logos and verbiage from the company Web site. She then begins communicating with customers and individuals interested in XYZ via this service. Which of the following would be the most appropriate response to Melanie's actions by the company?

- A. Providing a link to Melanie's page from the company's official social networking account
- B. Sending Melanie a request from the company's Human Resources department to stop using company logos, yet allowing her to continue using this social networking account
- C. Adding references to Melanie's social networking page in the company's internal newsletter
- D. Terminating Melanie's employment for copyright and trademark violation, with a cease-and-desist letter asking for control of the account

Answer: D

NO.7 Marcella is looking for a very unique product online. She has found one on the XYZ Company's Web site, which is designed well and appears to be legitimate. As she navigates through the checkout process, she reaches the checkout page with this URL, which asks her to enter her credit card information:

http://XYZ.com/gp/checkout.html/ref=chk_out_TLS12B_lb?ie=UTF8&docId=10007931

Why should Marcella cancel her online transaction instead of proceeding?

- A. Because the site uses 128-bit encryption, which is illegal for companies that are located overseas
- B. Because the link contains abbreviations and is not completely readable, so Marcella is unsure of the server name
- C. Because the link does not use SSL/TLS encryption and therefore the information Marcella enters would not be secure
- D. Because the link uses SSL/TLS encryption, which Marcella knows is not compatible with the browser she is using
